

TRANSITION

TOWARDS A BRIGHTER FUTURE

Transition: Entrepreneurial Skills Training

Transition is an Erasmus+ funded project that is designed to help entrepreneurs to develop fundamental competencies that they require in order to start a business, or to turn an entrepreneurial idea into business reality. Transition also researched information available about Blockchain and developed a website dedicated to the making the project deliverables and results available to the public for free.

This event will showcase the Transition project and will enable attendees to understand how to make best use of the entrepreneurial start-up kit.

Agenda to be covered:

Brief overview of Transition Project

The relevance of emerging technologies in the small business environment

Overview of the research conducted by the Transition team and the Transition website

The challenges faced by start-ups and small businesses and the use of innovation

Overviews of the 5 courses created;

Course A - From entrepreneurial spirit to business reality

Course B - How to assess a start-up idea

Course C - The Business Plan. Identifying your financial and non-financial requirements and how to address them

Course D - Business modelling and analysis: Business Model Canvas, Market Segment analysis

Course R - Entrepreneurial Competencies: Assembling human resources and capabilities

The next phase of the Transition project

Co-funded by the
Erasmus+ Programme
of the European Union
