# Understanding Corporate Risk and Crisis Management

**Course No 127**

The intent of this course is to help professionals better understand the link between risk and crisis management. The mantra of no risk, no reward still holds true, yet decision makers need to be fully aware and prepared for the various foreseen and unforeseen risks that can lead to crisis scenarios. This course is highly recommended to individuals that are new to the world of risk management and professionals that would like to better understand crisis management and recovery scenarios.

## Sample Topics Covered:

Understanding Risk

---

Different types of crisis scenarios

---

The link between disastrous events and corporate crisis

---

Designing a corporate risk strategy

---

How to limit risk exposure

---

Monitoring and review of risk

---

Crisis Recovery- An Overview
