# An Introduction to Anti-Money Laundering

**Course No 147**

Anti-Money Laundering (AML) and Combating the Financing of Terrorism (CFT) concepts will be covered extensively in relation to financial services entities. Robust AML policies are necessary to safeguard a company from reputational, regulatory and business risk. This course is designed to familiarise attendees with techniques to detect money laundering and will enable participants to design and influence a compliance culture within an organisation.
