Financial Markets Compliance and Regulation

Course No 306

This course aims to offer participants an overview of the regulatory and compliance landscape, introducing elements of the AIFMD, MiFID and UCITS directives. Participants will be provided a foundation to be able to understand financial regulation and compliance requirements of an MFSA licensed company. The course will explore the optimal compliance structure of a fund or management company, including their basic legal structure, the fiduciary duties of a board of directors, investment committee, MLRO and compliance officer. Furthermore, various AIFMD policies will be discussed, including risk management, remuneration, valuation and insider dealing policies.
