THE ROLE OF THE COMPANY SECRETARY

10 October 2025
13:00 to 16:00 CET

This course explores the critical role, duties, and obligations of the company secretary, emphasising their function as a key link between the board of directors and company management. Participants will learn about the company secretary's responsibilities in ensuring good corporate governance and their obligations to the board, shareholders, and management. The course will also highlight best practices and real-life case studies to provide practical insights into the effective execution of the company secretary's role.
