## Correction: Interim Report January – March 2023

In Catena Media's Interim Report for January - March 2023 and the press release disclosing the report earlier today the number of outstanding shares was inadvertently misstated. This also led to minor inaccuracies in the earnings per share calculations. The corrected figures are presented below:

### The period 1 January to 31 March 2023

- Weighted average number of outstanding shares at period end before dilution was 71,922,319 (instead of 69,106,373).
- Weighted average number of outstanding shares at period end after dilution was 100,619,419 (instead of 97,803,473).
- Earnings per share before dilution were EUR 0.32 (instead of 0.33).
- Earnings per share before dilution from continuing operations were EUR 0.16 (instead of 0.17).
- Equity per share before dilution was EUR 3.42 (instead of 3.55).
- Equity per share after dilution was EUR 2.44 (instead of 2.51).
