

INTERNATIONAL HOTEL INVESTMENTS P.L.C.

The following is a Company Announcement issued by International Hotel Investments p.l.c. (the “Company”) pursuant to the Capital Markets Rules.

Strategic collaboration with Accor in relation to Verdi Hotels

The Company announces that an agreement has been signed with Accor, a world leading hospitality group, pursuant to which five *Verdi-managed* hotels in Malta, Portugal and Tunisia will join Accor’s *Handwritten Collection* under franchise distribution arrangements with effect from November 2026. The parties also plan to add two further Verdi-managed properties in Hungary and the Czech Republic by early 2027.

Through this collaboration, the *Verdi* management platform launched in 2014 as a distinct management platform in the upscale segment will benefit from Accor’s global distribution, marketing and loyalty programmes, with the objective of strengthening the hotels’ performance and operating capabilities.

The collaboration with Accor only applies to the Verdi Hotels brand. The Company’s Corinthia brand will remain fully independent and unchanged, on its current global expansion business plan.
