Notes to the Condensed Consolidated Financial Statements

- a) This half-yearly report is published pursuant to Chapter 5 of the Malta Financial Services Authority Capital Markets Rules and the Prevention of Financial Markets Abuse Act, 2005. The condensed set of consolidated interim unaudited financial statements attached to this report has been extracted from LifeStar Insurance p.l.c.'s unaudited management accounts and LifeStar Health Ltd unaudited management accounts for the six months ended 30 June 2023.
- b) The condensed interim unaudited financial statements for the half year ended 30 June 2023 have been extracted from the unaudited management accounts of the Group and have been prepared in accordance with International Accounting Standard 34 Interim Financial Reporting. These financial statements have not been audited nor reviewed by the Group's independent auditors. The consolidated condensed financial information does not include all the notes of the type normally included in the annual financial statements. Accordingly, the interim unaudited financial statements should be read in conjunction with the annual financial statements for the year ended 31 December 2022, which have been prepared in accordance with International Financial Reporting Standards as adopted by the EU.
- c) The interim unaudited financial statements have been prepared under the historical cost convention, except for the revaluation of investment properties, financial assets which were classified at fair value through profit and loss and investment contracts without DPF. The accounting policies, presentation and methods of computation used in these interim unaudited financial information are consistent with those used in the annual audited consolidated financial statements for the year ended 31 December 2022 except for the changes which were necessary following the adoption of IFRS 17 and IFRS 9.
- d) The Group's operations consist of the provision of investments, advisory and insurance intermediary services in terms of the Investment Services Act, 1994 and the Insurance Intermediaries Act, 2006, the carrying on of long-term business of insurance under the Insurance Business Act, 1998. The Group's turnover is primarily generated in and from Malta.
- e) The Group had no commitments for capital related expenditure as at 30 June 2023 and 31 December 2022.
- f) Earnings per share is based on the net result for the period divided by the weighted average number of ordinary shares in issue during the period. The weighted average number of shares in issue during the period amounted to 64,814,817 shares.
