Notes to the Condensed Consolidated Financial Statements

- a) This half-yearly report is published pursuant to Chapter 5 of the Malta Financial Services Authority Capital Markets Rules and the Prevention of Financial Markets Abuse Act, 2005. The condensed set of consolidated interim unaudited financial statements attached to this report has been extracted from the unaudited management accounts of LifeStar Insurance p.l.c. and LifeStar Health Limited for the six months ended 30 June 2024.
- b) The condensed interim unaudited financial statements for the half year ended 30 June 2024 have been prepared in accordance with International Accounting Standard 34 – Interim Financial Reporting. These interim financial statements have not been audited nor reviewed by the Group’s independent external Auditors. Every care has been undertaken to ensure the accuracy of these statements. However, in view of the fact that IFRS 17 is to date a new concept, the Board of Directors expects further fine-tuning, refashioning and customisation of the existing IFRS model, based on historical experiences. Accordingly, these interim unaudited financial statements may be subject to adjustments. In this regard, the Group’s Insurance contract liabilities which at period end amounted to Euro 112,026,711 include an approximate amount of Euro 800,000 which is subject to further verification and confirmation as to its correct allocation in the financial statements. Any subsequent reclassification, if any, may have an effect on the financial performance and financial position of the company as at 30 June 2024. The consolidated condensed financial information does not include all the notes of the type normally included in the annual financial statements. Accordingly, these interim unaudited financial statements should be read in conjunction with the approved annual financial statements for the year ended 31 December 2023, which have been prepared in accordance with International Financial Reporting Standards as adopted by the EU.
- c) The interim unaudited financial statements have been prepared under the historical cost convention, except for the revaluation of investment properties, financial assets which were classified at fair value through profit and loss and investment contracts without discretionary participation features (“DPF”). The accounting policies, presentation and methods of computation used in these interim unaudited financial statements are consistent with those used in the annual audited consolidated financial statements for the year ended 31 December 2023.
- d) The Group's operations consist of the provision of advisory and insurance intermediary services in terms of the Insurance Intermediaries Act, 2006, the carrying on of long-term business of insurance under the Insurance Business Act, 1998. The Group's turnover is primarily generated in and from Malta.
- e) The Group had no commitments for capital related expenditure as at 30 June 2024.
