

COMPANY ANNOUNCEMENT

MEDSERV P.L.C.
(THE “COMPANY”)

Contract with Air Liquide

Date of Announcement	23 March 2020
Reference	202/2020
Listing Rule	LR 5.16

QUOTE

The Company, through one of its subsidiary companies, Medserv Operations Limited, signed a long term agreement with Air Liquide, through its subsidiary Air Liquide Oil & Gas Services Ltd (ALOS), to install and operate a compressed gases filling plant to provide diving and welding gases to the offshore industry in Mediterranean.

The facility will be installed at the Company’s base in the Malta Freeport. The transaction is subject to required approvals and will commence once received.
