Financial Results 2024

The Group’s revenues for 2024 totalled €142.9 million, translating to an increase of 18.8% over the previous year. This increase was largely driven by record traffic, which grew by nearly 15% over 2023 to amount to 8.96 million passenger movements.

Increasing by 15.8% over 2023, the earnings before interest, taxation, depreciation and amortisation (EBITDA) of the Group amounted to €87.1 million for the year under review.

The Group netted a record high profit of €46.3 million, corresponding to an increase of 15% compared to 2023.
