## **Report of the auditors**

We have examined the abridged financial statements set out on pages 1 and 2 together with the annual financial statements of Middle Sea Insurance p.l.c. for the year ended 31 December 1999. The scope of our work for the purpose of this report was limited to confirming that the abridged financial statements have been properly prepared from the annual financial statements.

In our opinion, the abridged financial statements have been properly prepared in accordance with Section 20 of the Maltese Insurance Business Act, 1998 and the directives issued for the purpose by the Malta Financial Services Centre.

We reported as auditors of Middle Sea Insurance p.l.c. to the members on 27 April 2000 on the company's annual financial statements prepared under Section 20 of the Insurance Business Act, 1998 and Section 167 of the Maltese Companies Act, 1995 and our report was as follows:

### **"Report of the auditors**

To the Members of Middle Sea Insurance p.l.c.

We have audited the financial statements. As described in the statement of directors' responsibilities, these financial statements are the responsibility of the company's directors. Our responsibility is to form an independent opinion, based on our audit, on these financial statements and to report our opinion to you.

We conducted our audit in accordance with International Standards on Auditing. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the directors, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our evaluation of the presentation of information has had regard to the statutory requirements for insurance companies to maintain equalisation reserves. The nature of equalisation reserves and the amount set aside at 31 December 1999 are disclosed in accounting policy 5 and note 19.

**Report of the auditors - continued**

In our opinion the financial statements give a true and fair view of the state of affairs of the company and the group as at 31 December 1999 and of the profit, changes in equity and cash flows for the year then ended in accordance with the requirements of the Maltese Insurance Business Act, 1998 and the Maltese Companies Act, 1995."

Accounting policy 5 and note 19 to the annual financial statements explain that the amounts set aside as equalisation reserves are not liabilities because they are in addition to the provision required to meet the anticipated ultimate cost of settlement of outstanding claims at the balance sheet date. Notwithstanding this, they are required by the Maltese Insurance Business Act, 1998 to be included within technical provisions.
