

Multitude SE: The Board of Directors of Multitude SE Proposes to Postpone the Decision on the Redomiciliation to an Extraordinary General Meeting to be held in September

Gzira, 14 August 2024 – The Board of Directors of Multitude SE, a listed European FinTech company, offering digital lending and online banking services to consumers, small and medium-sized businesses, and other FinTechs (ISIN: MT0002810100, WKN: A40G1Q) (“**Multitude**” or “**Company**”), has today resolved to: (1) withdraw the proposed extraordinary resolution (agenda item 4) regarding the Company’s redomiciliation from Malta to Switzerland from the agenda of the extraordinary general meeting to be held on 21 August 2024 (the “**August EGM**”); and (2) make a fresh proposal on the same matter at a new extraordinary general meeting to be held on 5 September 2024, the notice and relevant documentation for which will be published separately (“**September EGM**”).

The reason for withdrawing the proposal from the August EGM and making a fresh proposal at the September EGM is attributable to further information of technical nature regarding regulatory and tax processes as conditions for completion of the contemplated redomiciliation.

Save for the withdrawal of the proposed extraordinary resolution regarding the contemplated redomiciliation (agenda item 4), the August EGM is still expected to proceed as planned and to resolve on the approval of the conversion of the Company into a Maltese public limited liability company and corresponding change in the name of the Company and amendments to the Company’s memorandum and articles of association.

For the avoidance of doubt, shareholders who have already voted on the proposed extraordinary resolution (agenda item 4) regarding the Company’s redomiciliation from Malta to Switzerland in the August EGM, will have to attend to and vote again in the September EGM in order for their vote to be counted towards the decision.
