Half-Yearly Report for the period ended 30 June 2023

The following Half-Yearly Report is being published pursuant to the terms of Chapter 5 of the Malta Financial Services Authority Capital Markets Rules. The condensed interim financial information has been extracted from the group's unaudited financial statements for the six months ended 30 June 2023. The interim financial information should be read in conjunction with the annual financial statements for the year ended 31 December 2022, which have been prepared in accordance with IFRSs as adopted by the European Union. The accounting policies used in the preparation of the Half-Yearly Report are consistent with those used in the annual financial statements for the year ended 31 December 2022. This Half-Yearly Report has not been audited nor reviewed by the company's independent auditors.

Interim Directors' report

The Directors hereby present the company's financial results for the six months ending 30 June 2023.

Principal activities

The Group's principal activity, is to lease, manage and market the Plaza Shopping and Commercial Centre (owned by the Parent Company). Over the past couple of years, the Parent Company initiated the implementation of a refurbishment programme in order to enhance the experience for all its tenants and visitors.

Sustainability is at the core of these refurbishment works. Parts of the works for the second half of the year will focus on expanding the production of alternative energy, the installation of equipment which is more environmentally friendly and the reduction in energy required to keep a comfortable temperature inside the centre. In order to reach these goals the company is looking at replacing the atrium roof, install further solar panels at roof level and upgrade the electrical system of the escalators.

There is also commitment from our tenants in upgrading their shops and offices which will continue to enhance the customer experience. This is in line with the Group's aim to have The Plaza Commercial Centre as one of the main attractions for offices and retail business in Sliema.

The Group also owns a 51% of Esports Avenue Limited, a company owning and managing Esports Plaza, an Esports lounge located within The Plaza Shopping Centre. This company has been in operation for nearly one year and though presently not contributing directly to the bottom line, it is complementing the refurbished lower floor which now enjoys a diversified foodhall as well as the international well acclaimed gym F45 specialising in Functional Training.

Group Financial results

During the first six months of the year, the Group generated revenue of €1,506,960 (2022: €1,434,877) an increase of 5.02%, whilst EBIDTA increased by 0.14% to €1,072,026 (2022: €1,070,553). Profit before tax increased by 15.85% to €786,656 (2022: €679,012).

The Group's occupancy at 30 June 2023 was 90% (30 June 2022: 90%). During the second quarter of the year 315sqm on level 3 have been leased out to Lucy World with the shop opening for business in July.

The Directors do not anticipate a significant change in the Group's performance in the next six months. The Board remains cautious due to the prevailing economic challenges mainly due to the armed conflict in Ukraine as well as the current surge in inflation.

As at 30 June 2023, the Board of Directors recommend the payment of an interim net dividend of €250,000 equivalent to €0.0098 per share (30 June 2022: €250,000 equivalent to €0.0098 per share). The cut-off date for eligibility to dividends shall be the 16 August 2023 and that accordingly only shareholders on the register of members on that date shall be eligible to receive the dividend which will be paid on the 30 August 2023.
