

YACHT LIFT MALTA P.L.C.
COMPANY ANNOUNCEMENT

Ref: 40/22

Company Announcement issued by Yacht Lift Malta p.l.c. (C-78281) of 129-130, Ta' Xbiex Seafront, Ta' Xbiex, hereinafter referred to as the "Company", in terms of the Prospect MTF Rules of the Malta Stock Exchange, regulating the Prospects Market, the market regulated as a multilateral trading facility operated by the Malta Stock Exchange.

Results of Board of Directors Meeting and Annual General Meeting

QUOTE

The Company announces that pursuant to the Board of Directors meeting held on the 31st of January 2022, wherein the Consolidated Financial Statements for the year ended 30th September 2021 were approved.

The Board of Directors recommended to the Annual General Meeting of the Company that no dividend be declared.

The Company further announces that its annual general meeting was also held on the 31st of January 2022 and at which:

1. the Consolidated Financial Statements for the year ended 30th September 2021 were approved;
2. the Statutory Directors' Report on the Financial Statements for the year ended 30th September 2021 was approved;
3. the Auditor's Report on the Financial Statements for the year ended 30th September 2021 were approved.
4. The composition of the Board of Directors was approved as follows:

Giuseppe Farrugia

Ivan Fsadni

Daniel Gatt

Stefan Sant

The shareholders took note of the Board of Directors' resolution that no dividend be declared.

Copies of the Company's Consolidated Audited Financial Statements for the financial year ended 30th September 2021 are attached to this announcement and are also available for viewing and download on the following link on the Company's website: <https://www.yachtliftmalta.com/investors-information>

Furthermore, the Board of Directors notes that a material variance resulted between the 2021 projections that were published on the 6th of March 2021, Announcement REF 25/2021 and the actual results registered for the financial year ending 30 September 2021.

Report of the Directors

For the year ended 30 September 2021

The directors present their report and the audited financial statements for the year ended 30 September 2021.

Principal Activity

Yacht Lift Malta P.L.C. (the 'Company') together with its subsidiaries, are involved in the services relating to the yachting industry. The primary objective of the Parent Company is to act as a finance and investment company while the subsidiary company primary objective is to provide services relating to the shipping industry.

Review of Business

During the year under review the Group registered a loss before tax of € 618,722. The Company issued € 2,000,000 5.5% secured callable Bonds having a nominal value of €100 each. These funds were used to finance the purchase and installation of a floating dry dock platform known as 'Yacht Lift' situation at Marina Di Valletta Pieta.

Dividends and Reserves

The directors do not recommend the payment of a dividend.

Financial Risk Management

The Group's activities potentially expose it to a variety of financial risks: liquidity risk and credit risk. The Group's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Group's financial performance. The Board provides principles for overall risk management, as well as policies covering risks referred to above and specific areas such as investment of excess liquidity. The Group did not make use of derivative financial instruments to hedge certain risk exposures during the current and preceding financial years.

(a) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities, the availability of funding through an adequate amount of committed credit facilities and the ability to close out market positions.

(b) Credit risk

The Group has no significant concentrations of credit risk. It has policies in place to ensure that services are made to customers with an appropriate credit history.

(c) Liquidity risk

The Group is exposed to liquidity risk in relation to meeting future obligations associated with its financial liabilities, which comprise principally interest-bearing borrowings and trade and other payables. Prudent liquidity risk management includes maintaining sufficient cash to ensure the availability of an adequate amount of funding to meet the Group's obligations and ensuring that alternative funding is available when the bonds are due for repayment.

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Report of the Directors (continued)

For the year ended 30 September 2021

Post Balance Sheet Events

The Directors evaluated subsequent events from 1 October 2021 through 31 January 2022, the date the financial statements are approved.

Directors

The following have served as directors of the holding company during the year under review:

Mr Giuseppe Farrugia
Mr Ivan Fsadni
Capt Daniel Gatt
Dr Stefan Sant

In accordance with the Company's Articles of Association the present directors remain in office.

Directors' Interest

The directors' beneficial interest in the shares of the Company on 30 September 2021 are 100,000 ordinary shares having a nominal value of €1 and fully paid up held equally by Capt Daniel Gatt and Mr Giuseppe Farrugia.

Financial Reporting Framework

The directors have resolved to prepare the Group's financial statements for the year ended 30 September 2021 in accordance with International Financial Reporting Standards as adopted by the EU.

Auditors

KSi Malta have indicated their willingness to continue in office and a resolution concerning their re-appointment will be proposed at the forthcoming annual general meeting.

BY ORDER OF THE BOARD

Mr Giuseppe Farrugia
Director

Capt Daniel Gatt
Director

31 January 2022

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Directors' Responsibilities

For the year ended 30 September 2021

The Companies Act, 1995 requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Group and the holding company as at the end of the financial year and of the profit or loss of the Group and the holding company for that year in accordance with the requirements of International Financial Reporting Standards as adopted by the EU. In preparing these financial statements, the directors are required to:

- adopt the going concern basis unless it is inappropriate to presume that the Group and the holding company will continue in business;
- select suitable accounting policies and apply them consistently from one accounting period to another;
- make judgements and estimates that are reasonable and prudent;
- account for income and charges relating to the accounting period on accruals basis; and
- value separately the components of asset and liability items on a prudent basis.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Group and holding company and to enable them to ensure that the financial statements comply with the Companies Act, 1995. They are also responsible for safeguarding the assets of the Group and holding company and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors, through oversight of management, are responsible to ensure that the Group and the holding company establishes and maintains internal control to provide reasonable assurance with regard to reliability of financial reporting, effectiveness and efficiency of operations and compliance with applicable laws and regulations.

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Corporate Governance - Statement of Compliance

For the year ended 30 September 2021

The Prospects MTF Rules ("the Rules") oblige issuing companies to observe The Code of Principles of Good Corporate Governance (the "Code"), in relation to which a report is to be prepared on the adherence thereto by the independent auditor. Companies listed on Prospects MTF are required to include, in their Annual Report, a Directors' Statement of Compliance which deals with the extent to which the Group has adopted the Code of Principles of Good Corporate Governance and the effective measures that the Group has taken to ensure compliance with the Code, accompanied by a report of the auditors thereon.

In view of the fact that Yacht Lift Malta P.L.C. (the "Company") debt (and not equity) securities are listed and traded on Prospects MTF which is a multilateral trading facility. The Group is hence hereunder reporting its compliance with the Code and where the Group has decided otherwise to not adhere to specific provisions as allowed by the Rules, the Group is specifying where and how it is not in compliance with the Code.

Part 1: Compliance with the Code

The Board of Directors (the "Board") of the Group believe in the adoption of the Code and has endorsed them except where the size and/or particular circumstances of the Group are deemed by the Board not to warrant the implementation of specific recommendations. In this context it is relevant to note that the Group has issued bonds on Prospects MTF. Accordingly, some of the provisions of the Code are not applicable whilst others are applicable to a limited extent.

Principle 1: The Board

The Board of Directors is responsible for devising a strategy and setting policies of the Group. It is also responsible for reviewing internal control procedures, financial performance and business risks faced by the Group. The Board is also responsible for decisions relating to the redemption of the Bond, and for monitoring that the operations of the Group are in conformity with the prospectus and all relevant rules and regulations.

The Board is composed of Capt Daniel Gatt (Executive Director and Chief Executive Officer), Mr Giuseppe Farrugia (Executive Director), Dr Stefan Sant (Non-Executive Director) and Mr Ivan Fsadni (Non-Executive Director). All of the directors were nominated and appointed by the shareholders in general meeting.

The Board delegates specific responsibilities to an Audit Committee, details of which are found in Principle 5 hereunder.

Corporate Governance - Statement of Compliance (continued)

For the year ended 30 September 2021

Part 1: Compliance with the Code (continued)

Principle 1: The Board (continued)

The Directors and other Prospects MTF Restricted Persons as defined by the Rules are informed of their obligations on dealings in securities of the Group within the established parameters of the law and the Rules. Each Director and Prospects MTF Restricted Person has been provided with the Code of Dealing required in terms of the Rules and training in respect of their obligations arising thereunder.

Principle 2: Chairman and Chief Executive Officer

The roles of the Chairman and the Chief Executive, set out in writing and agreed by the Board, were held separately for the period to ensure that there was a clear distinction between the running of the Board and the executive responsibility for the running of the business of the Group.

The Chairman's main function is to lead the Board, set the agenda and ensure that all board members partake in discussions of complex and contentious issues.

The Chief Executive Officer has specific authorities from the Board to manage the Group's operational activities within the strategy and parameters set by it.

Principle 3: Composition of the Board

The Board considers that the size of the Board, whilst not being large as to be unwieldy, is appropriate, taking into account the size of the Group and its operations. The combined and varied knowledge, experience and skills of the Board members provides the balance of competences that are required and adds value to the functioning of the Board and gives direction to the Group.

The Board is composed of 2 executive and 2 non-executive directors. The non-executive directors, that is, Mr Ivan Fsadni and Dr Stefan Sant are considered to be independent within the meaning provided by the Code. Each non-executive director has submitted a declaration to the Board declaring their independence.

Directors are appointed during the Group's Annual General Meeting for period of one year, at the end of which term they may stand again for re-election. The Articles of Association of the Group clearly set out the procedures to be followed in the appointment of directors.

Principle 4: The Responsibilities of the Board

The Board has the first level responsibility for executing the four basic roles of Corporate Governance, namely accountability, monitoring, strategy formulation and policy development. The Board seeks to effectively monitor the implementation of strategy and policy by management.

Clear internal and external reporting lines are established with a view to ensuring that the Board can properly discharge its obligation to take decisions in the best interests of the Group. An audit committee has been set up with clear terms of reference in line with the Rules. The procedure of the Audit Committee is regulated under its terms of reference.

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Corporate Governance - Statement of Compliance (continued) For the year ended 30 September 2021

Part 1: Compliance with the Code (continued)

Principle 5: Board Meetings

Board meetings concentrate mainly on strategy, operational performance and financial performance of the Group. After each Board meeting and before the next, Board minutes that faithfully record attendance, key issues and decisions are sent to the directors. Meetings were attended as follows:

<i>Members</i>	<i>Meetings Attended out of total held during tenure</i>
Capt Daniel Gatt	6 out of 6
Mr Ivan Fsadni	6 out of 6
Mr Giuseppe Farrugia	2 out of 6
Dr Stefan Sant	6 out of 6

The Board also delegates specific responsibilities to the management team of the Group.

Board Committees

Audit Committee

The Board delegates certain responsibilities to the Audit Committee, the terms of reference of which reflect the requirements stipulated in the Rules and under applicable law. In addition, unless otherwise dealt with in any other manner prescribed by the Rules, the Audit Committee has the responsibility to, *inter alia*, monitor and scrutinise, and, if required, approve Related Party Transactions, if any, falling within the ambits of the Rules and to make its recommendations to the Board of any such proposed Related Party Transactions.

The Audit Committee establishes internal procedures and monitors these on a regular basis. The terms of reference for the Audit Committee are designed both to strengthen this function within the Group and to widen the scope of the duties and responsibilities of this Committee. The Committee also has the authority to summon any person to assist it in the performance of its duties, including the Group's external auditors.

During the year under review, the Audit Committee was composed of Mr Giuseppe Farrugia (independent executive director), Mr Ivan Fsadni (independent non-executive director and Chairman of the Audit Committee) and Dr Stefan Sant (independent non-executive director).

The Board considers the Chairman of the Audit Committee to be independent and competent in accounting and/or auditing. Such determination was based on Mr Ivan Fsadni substantial experience in various roles throughout his career as a Certified Public Accountant.

Part 1: Compliance with the Code (continued)

Board Committees (continued)

Senior Management

In view of Yacht Lift Malta P.L.C. (the Company) being primarily a finance and investment company, the Company does not have any employees. However, the overall management of the Group comprises of Capt Daniel Gatt, as Group Chief Executive Officer.

Principle 6: Information and Professional Development

Each director is made aware of the Group's on-going obligations in terms of the Companies Act, the Rules and other relevant legislation. Directors have access to the advice and services of the Group Secretary and to legal counsel. The Group is also prepared to bear the expense incurred by the directors requiring independent professional advice should they judge it necessary to discharge their responsibilities as directors.

Principle 9: Relations with Shareholders and with the Market

The Group has communicated effectively with the market through Group announcements and financial information published by the Group.

Principle 10: Institutional Shareholders

The Group is of the view that due to the fact that it does not have Institutional Shareholders, this provision is not applicable.

Principle 11: Conflicts of Interest

The directors are aware that their primary responsibility is always to act in the interest of the Group and its shareholders as a whole irrespective of who appointed them to the Board. Acting in the interest of the Group includes an obligation to avoid conflicts of interest. In such instances, the Group has strict policies in place which allow it to manage such conflicts, actual or potential, in the best interest of the Group.

Principle 12: Corporate Social Responsibility

The group of companies understands the importance of contributing to society at large, both in terms of the wellbeing of its staff as well as the contribution towards society at large.

Part 2: Non-Compliance with the Code

Principle 7: Evaluation of the Board's Performance

At present, the Board does not consider it necessary to appoint a committee to carry out a performance evaluation of its role, as the Board's performance is evaluated on an ongoing basis by, and is subject to the constant scrutiny of, the Board itself, the Issuer's shareholders, the market and the rules by which the Issuer is regulated.

Principle 8: Committees

The Issuer does not have a Remuneration Committee as recommended by this principle because it is not deemed as necessary in view of the very limited number of directors engaged by the Issuer. Furthermore, the Issuer does not have a Nomination Committee as recommended in Principle 8. Appointments to the Board of Directors are determined by the shareholders of the Group in accordance with the Memorandum and Articles of Association. The Issuer considers that the members of the Board provide the level of skill, knowledge and experience expected in terms of the Code.

Internal Controls

The Board is responsible for the Group's system of internal controls and for reviewing its effectiveness. Such a system is designed to achieve business objectives and to manage rather than to eliminate the risk of failure to achieve business objectives and can only provide reasonable assurance against material error, losses or fraud.

Authority to manage the business of the Group, including the Group is delegated to the Group Chief Executive Officer within the limits set by the Board of Directors. Systems and procedures are in place for the Group to control, report, monitor and assess risks and their financial implications, and to take timely corrective actions where necessary. Regular financial budgets and strategic plans are prepared, and performance against these plans is actively monitored and reported to the directors on a regular basis.

Corporate Governance - Statement of Compliance (continued)
For the year ended 30 September 2021

Remuneration Statement

In terms of the Company's Memorandum and Articles of Association, it is the shareholders of the Group in the General Meeting who determine the maximum annual aggregate remuneration of the directors. The aggregate amount approved for this purpose during the last Annual General Meeting was consistent to the one declared in the current financial year.

No part of the remuneration paid to the directors is performance based, and the Chief Executive Officer receives no additional remuneration in relation to this role. None of the directors, in their capacity as a Director of the Group, is entitled to profit sharing, share options or pension benefits with respect to Yacht Lift Malta P.L.C.

Signed on behalf of the Board of Directors on 31 January 2022 by:

Mr Ivan Fsadni
Director and Chairman of Audit Committee

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Independent Auditors' Report

To the shareholders of Yacht Lift Malta P.L.C.

Opinion

We have audited the accompanying consolidated financial statements of Yacht Lift Malta P.L.C. (the Group and the Holding Company), set out on pages 15 to 52, which comprise the consolidated balance sheet as at 30 September 2021, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the consolidated financial statements give a true and fair view of the financial position of the Group and the Holding company as at 30 September 2021, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards as adopted by the EU and have been prepared in accordance with the requirements of the Companies Act (Cap. 386).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in accordance with the Accountancy Profession (Code of Ethics for Warrant Holders) Directive issued in terms of the Accountancy Profession Act (Cap. 281) in Malta, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note 17 in the financial statements, which indicates that the Group incurred a net loss of EUR 396,743 during the year ended 30 September 2021 and, as of that date, the Group's current liabilities exceeded its total assets by EUR 834,187. As stated in Note 17, these events or conditions, along with other matters as set forth in Note 17, indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Independent Auditors' Report (continued)

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Material Uncertainty Related to Going Concern section, we have determined the matters described below to be the key audit matters to be communicated in our report.

Bond Loan

As at 30 September 2021 the Company held €2,000,000 in Bonds having a coupon rate of 5.5% to the general public through Prospects MTF markets and these were fully subscribed.

During the audit process we ascertained ourselves that the proceeds from the Bond were being utilised as per the admission document. The results of our testing were satisfactory and we concur that Bond proceeds and usage are disclosed in the audited accounts accordingly.

Other Information

The directors are responsible for the other information. The other information comprises the Report of the Directors and the Directors' Responsibilities and the Corporate Governance Statement of Compliance. Our opinion on the consolidated financial statements does not cover this information. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Report on Corporate Governance

The Listing Rules issued by the Malta Listing Authority require the directors to prepare and include in their Annual Report a Statement of Compliance providing an explanation of the extent to which they have adopted the Code of Principles of Good Corporate Governance and the effective measures that they have taken to ensure compliance throughout the accounting period with those Principles.

The Listing Rules also require the auditors to include a report on the Statement of Compliance prepared by the Directors.

We read the Statement of Compliance and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the consolidated financial statements included in the Annual Report. Our responsibilities do not extend to considering whether this statement is consistent with any other information included in the annual return.

We are not required to, and we do not, consider whether the Board's statements on internal control included in the Statement of Compliance cover all risks and controls, or form an opinion on the effectiveness of the Company's corporate governance procedures or its risk and control procedures.

In our opinion, the Statement of Compliance set out on pages 4 to 9 has been properly prepared in accordance with the requirements of the Listing Rules issued by the Malta Listing Authority.

We also read other information contained in the Annual Report and consider whether it is consistent with the audited consolidated financial statements. Our responsibilities do not extend to any other information.

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Independent Auditors' Report (continued)

Report on Corporate Governance (continued)

With respect to the Report of the Directors, we also considered whether the Report of the Directors includes the disclosures required by Article 177 of the Maltese Companies Act (Cap. 386). Based on the work we have performed, in our opinion:

- the information given in the Report of the Directors for the financial year for which the consolidated financial statements are prepared is consistent with the financial statements; and
- the Report of the Directors has been prepared in accordance with the Maltese Companies Act (Cap.386).

In addition, in light of the knowledge and understanding of the Group and the Holding company and their environment obtained in the course of the audit, we are required to report if we have identified material misstatements in the Report of the Directors. We have nothing to report in this regard.

Responsibilities of the Directors

The directors are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with International Financial Reporting Standards as adopted by the EU, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements (continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Matters on which we are required to report by exception under the Companies Act

Our Responsibilities

We have responsibilities under the Companies Act, 1995 enacted in Malta to report to you if, in our opinion:

- The information given in the Report of the Directors is not consistent with the financial statements.
- Adequate accounting records have not been kept, or that returns adequate for our audit have not been received from branches not visited by us.
- The financial statements are not in agreement with the accounting records and returns.
- We have not received all the information and explanations we require for our audit.
- Certain disclosures of directors' remuneration specified by law are not made in the financial statements, giving the required particulars in our report.

Our Opinion

We have nothing to report to you in respect of these responsibilities.

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Independent Auditors' Report (continued)

Use of our Report

Our report, including the opinions, has been prepared for and only for the Parent Company's shareholders as a body in accordance with Article 179 of the Maltese Companies Act (Cap. 386) and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior written consent.

Auditor Tenure

We were first appointed as auditors of the Group on 16 February 2021. Our appointment has been renewed annually by shareholder resolution representing a total period of uninterrupted engagement appointment of 2 years.

Joseph Gauci (Partner) for and on behalf of
KSi Malta
Certified Public Accountants

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Notes to the Consolidated Financial Statements For the year ended 30 September 2021

1 REPORTING ENTITY AND OTHER INFORMATION

Yacht Lift Malta P.L.C. (the Company) is a public limited liability company domiciled and incorporated in Malta. The registered office of the Company is disclosed in the introduction to the annual report. The principal activities of the Company and its subsidiaries (the Group) are described in note 15.

2 BASIS OF ACCOUNTING

The consolidated financial statements were authorised for issue by the Company's board of directors on 31 January 2022.

Details of the Group's accounting policies are included in Note 18.

3 FUNCTIONAL AND PRESENTATION CURRENCY

These financial statements are presented in Euro, which is the Group's functional currency.

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Notes to the Consolidated Financial Statements (continued)
For the year ended 30 September 2021

4 APPLICATION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS (IFRSs)

Amendments and interpretations applicable for the first time in 2021 shown here under have been implemented. The application of the below standards and interpretations do not have an impact on the financial statements of the Company.

Standard	Subject of amendment	Effective date
<i>IFRS 4 Insurance Contracts</i>	Amendments regarding replacement issues in the context of the IBOR reform	1 January 2021
<i>IFRS 7 Financial Instruments: Disclosures</i>	Amendments regarding pre-replacement issues in the context of the IBOR reform	1 January 2021
<i>IFRS 9 Financial Instruments</i>	Amendments regarding pre-replacement issues in the context of the IBOR reform	1 January 2021
<i>IFRS 16 Leases</i>	Amendments regarding replacement issues in the context of the IBOR reform	1 January 2021
	Amendment to extend the exemption from assessing whether a COVID-19 related rent concession is a lease modification	1 April 2021
<i>IAS 39 Financial Instruments: Recognition and Measurement</i>	Amendments regarding replacement issues in the context of the IBOR reform	1 January 2021

Notes to the Consolidated Financial Statements (continued)
For the year ended 30 September 2021

4 APPLICATION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS (IFRSs) (continued)

Standards issued but not yet effective

The new and amended standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Group's financial statements are disclosed below. The Group intends to adopt these new and amended standards and interpretations, if applicable, when they become effective.

Standard	Subject of amendment	Effective date
<i>IFRS 1 First-time Adoption of International Financial Reporting Standards</i>	Amendments resulting from <i>Annual Improvements to IFRS Standards 2018–2020</i> (subsidiary as a first-time adopter)	1 January 2022
<i>IFRS 3 Business Combinations</i>	Amendments updating a reference to the <i>Conceptual Framework</i>	1 January 2022
<i>IFRS 4 Insurance Contracts</i>	Amendments regarding the expiry date of the deferral approach	1 January 2023
<i>IFRS 9 Financial Instruments</i>	Amendments resulting from <i>Annual Improvements to IFRS Standards 2018–2020</i> (fees in the '10 per cent' test for derecognition of financial liabilities)	1 January 2022
<i>IFRS 17 Insurance Contracts</i>	Original issue	1 January 2023
	Amendments to address concerns and implementation challenges that were identified after IFRS 17 was published (includes a deferral of the effective date to annual periods beginning on or after 1 January 2023)	1 January 2023
<i>IAS 1 Presentation of Financial statements</i>	Amendments regarding the classification of liabilities	1 January 2023
	Amendment to defer the effective date of the January 2020 amendments	1 January 2023
	Amendment regarding the disclosure of accounting policies	1 January 2023
<i>IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors</i>	Amendments regarding the definition of accounting estimates	1 January 2023
<i>IAS 12 Income Taxes</i>	Amendments regarding deferred tax on leases and decommissioning obligations	1 January 2023

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Notes to the Consolidated Financial Statements (continued)
For the year ended 30 September 2021

4 APPLICATION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS (IFRSs) (continued)

Standards issued but not yet effective (continued)

<i>IAS 16 Property, Plant and Equipment</i>	Amendments prohibiting a company from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use	1 January 2022
<i>IAS 37 Provisions, Contingent Liabilities and Contingent Assets</i>	Amendments regarding the costs to include when assessing whether a contract is onerous	1 January 2022

The directors are of the opinion that the adoption of these Standards (where applicable) will not have a material impact on the financial statements.

5 USE OF JUDGEMENTS AND ESTIMATES

In preparing these financial statements, management has made judgements and estimates that affect the application of the Group's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

5.1 Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

- Estimation of current tax payable and current tax expense – note 7;
- Estimated useful life of property, plant and equipment – note 9;
- Recognition of deferred tax assets/(liabilities) – note 9;
- Leases: whether an arrangement contains a lease – note 10;
- Leases classification – note 10.

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Notes to the Consolidated Financial Statements (continued)
For the year ended 30 September 2021

9 NON-FINANCIAL ASSETS AND LIABILITIES (continued)

9.1 Property, plant and equipment (continued)

9.1.1 Right of use assets

Right of use assets includes immovable property held by the Group/Company under finance lease.

	Group		Company	
	2021 €	2020 €	2021 €	2020 €
Leased property				
Cost	309,441	269,669	-	-
Accumulated depreciation	(114,964)	(75,694)	-	-
	<hr/>	<hr/>	<hr/>	<hr/>
Net book amount	194,477	193,975	-	-
	<hr/>	<hr/>	<hr/>	<hr/>

9.1.2 Depreciation

Items of property, plant and equipment are recognised at historical costs less depreciation. Depreciation is calculated using the straight-line method to allocate their cost or revalued amounts, net of the residual values, over the estimated useful lives or, in the case of leasehold property the shorter lease term as follows:

	%
Improvements to property	10
Furniture and fittings	10
Motor boats	10
Office and computer equipment	25
Plant and machinery	20
Tools	10
Electrical, plumbing and sanitary	7

13 FINANCIAL RISK MANAGEMENT

13.1 Financial risk management objectives

The Group's activities potentially expose it to a variety of financial risks: market risk (including currency risk, fair value interest rate risk, cash flow interest rate risk and price risk), credit risk and liquidity risk. The Group's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Group's financial performance. The Board provides principles for overall risk management, as well as policies covering risks referred to above and specific areas such as investment of excess liquidity. The Group did not make use of derivative financial instruments to hedge certain risk exposures during the current and preceding financial year.

13.2 Market risk

(i) Foreign exchange risk

Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities which are denominated in a currency that is not the entity's functional currency. The Group has no significant currency risk since substantially all assets and liabilities are denominated in Euro.

(ii) Cash flow and fair value interest rate risk

The Group is exposed to risks associated with the effects of fluctuations in the prevailing levels of the market interest rates on its financial position and cash flows. As at the reporting date, the Group has variable interest-bearing liabilities.

As at the consolidated balance sheet date, the Group's exposure to changes in interest rates on bank overdrafts held with financial institutions was limited as the level of borrowings with variable interest-bearing liabilities is immaterial with the level of borrowings.

13.3 Credit risk

Credit risk arises from credit exposure to customers and amounts held with financial institutions (notes 10.1 and 10.3). The maximum credit exposure to credit risk at the reporting date in respect of the financial assets was as follows:

	Group	
	2021	2020
	€	€
Trade and other receivables	18,971	167,001
Cash at bank	15,266	70,064
	34,237	237,065

13.4 Liquidity risk

The Group is exposed to liquidity risk in relation to meeting future obligations associated with its financial liabilities, which comprise principally interest-bearing borrowings and trade and other payables (note 10.4 and 10.5). Prudent liquidity risk management includes maintaining sufficient cash to ensure the availability of an adequate amount of funding to meet the Group's obligations and ensuring that alternative funding is available when the bonds are due for repayment.

14 CAPITAL MANAGEMENT

The Group manages its capital to ensure that entities in the Group will be able to continue as going concern, while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The capital structure of the Group consists of net debts (borrowings as detailed in note 10 offset by cash and bank balances) and equity of the Group (comprising issued capital, reserves, retained earnings and non-controlling interests as detailed in notes 11 and 12).

14.1 Gearing ratio

The Group's gearing ratio at the end of the reporting period was as follows:

	Group	
	2021	2020
	€	€
Debt (i)	2,374,800	2,035,774
Cash and bank balances	(15,266)	(70,064)
	<hr/>	<hr/>
Net debt	2,359,534	1,965,710
	<hr/>	<hr/>
Equity (ii)	(834,187)	(437,444)
	<hr/>	<hr/>
Net debt to equity ratio	-	-
	<hr/>	<hr/>

Notes:

(i) Debt is defined as long-and short-term borrowings.

(ii) Equity includes all capital and reserves of the Group that are managed as capital.

Notes to the Consolidated Financial Statements (continued)

For the year ended 30 September 2021

17 OTHER MATTERS

The Group incurred a net loss of EUR 396,743 during the year and presents net liabilities of EUR 834,187. These events or conditions, in the opinion of the Board, are a direct result of the delay imposed on the start of the operations of the Group due to the permit issues encountered, further exacerbated by the COVID-19 pandemic.

The Group obtained additional financing through a local credit institution and has made efforts to start operations as planned to offset the above-mentioned issues that have created uncertainty related to going concern. In view of these measures and the projected future operations of the Group, the Directors remain convinced that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements.

18 ACCOUNTING POLICIES

18.1 PRINCIPLES OF CONSOLIDATION AND EQUITY ACCOUNTING

18.1.1 Subsidiaries

Subsidiaries are all entities over which the parent company has control. The parent company controls an entity when it is exposed to, or has right to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the parent company.

18.1.2 Equity method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the parent's share of the post-acquisition profits or losses of the investee in profit or loss, and the parent's share of movement in other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the parent does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the Group and its associates and joint ventures are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.

18 ACCOUNTING POLICIES (continued)

18.2 LEASING

18.2.1 The Group as a Lessee

For any new contracts entered into on or after 1 January 2018, the Group considers whether a contract is or contains a lease. A lease is defined as a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration. To apply this definition the Group assesses whether the contract meets three key evaluations which are whether:

- the contract contains an identified asset, which is either identified in the contract or implicitly specified by being identified at the time asset is made available to the Group;
- the Group has the right to obtain substantially all of the economic benefits from use of the identified asset throughout the period of use, considering its rights within the defined scope of the contract;
- the Group has the right to direct the use of the identified asset throughout the period of use. The Group assess whether it has the right to direct how and for what purpose the asset is used throughout the period of use.

Measurement and recognition of leases as a lessee

At least commencement date, the Group recognises a right-of-use asset and a lease liability on the balance sheet. The right-of-use is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Group, an estimate of any costs to dismantle and remove the asset at the end of the lease, and any lease payments made in advance of the lease commencement date.

The Group depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Group also assesses the right-of-use asset for impairment when such indicators exist.

At the commencement date, the Group measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease, if that rate is readily available, or the Group's incremental borrowing rate.

Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed), variable payments based on an index or rate, amounts expected to be payable under a residual value guarantee and payments arising from options reasonably certain to be exercised.

Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments.

When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero.

The Group has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in profit or loss on a straight-line basis over the lease term.

YACHT LIFT MALTA P.L.C. – CONSOLIDATED ACCOUNTS

Notes to the Consolidated Financial Statements (continued)

For the year ended 30 September 2021

18 ACCOUNTING POLICIES (continued)

18.2 LEASING (continued)

18.2.1 The Group as a Lessee (continued)

On the balance sheet, right-of-use assets have been included in property, plant and equipment (except those meeting the definition of investment property) and lease liabilities have been included in trade and other payables.

- The Group's accounting policy under IFRS 16 was implemented in the current year retrospectively.
- As a lessor the Group classifies its leases as either operating or finance leases.
- A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership of the underlying asset and classified as an operating lease if it does not.

Finance Leases

Management applies judgment in considering the substance of a lease agreement and whether it transfers substantially all the risks and rewards incidental to ownership of the leased asset.

Key factors considered include the length of the lease term in relation to the economic life of the asset, the present value of the minimum lease payments in relation to the asset's fair value, and whether the Group obtains ownership of the asset at the end of the lease term.

For leases of land and buildings, the minimum lease payments are first allocated to each component based on the relative fair values of the respective lease interests. Each component is then evaluated separately for possible treatment as a finance lease, taking into consideration the fact that land normally has an indefinite economic useful life. The interest element is charged to profit or loss, as finance costs over the period of the lease.

18.2.2 The Group as a lessor

Operating Leases

Rental income is recognised on a straight-line basis over the term of the lease.

18.3 INCOME TAX

The income tax expense represents the sum of the tax currently payable and deferred tax.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Group's operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Notes to the Consolidated Financial Statements (continued)

For the year ended 30 September 2021

18 ACCOUNTING POLICIES (continued)

18.3 INCOME TAX (continued)

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill.

Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax liabilities and assets are not recognised for temporary differences between the carrying amount and tax bases of investments in foreign operations where the Group is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

18.4 PROPERTY, PLANT AND EQUIPMENT

The Group accounting policy for land and buildings is explained in note 9.1. All other property, plant and equipment is stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

18 ACCOUNTING POLICIES (continued)

18.4 PROPERTY, PLANT AND EQUIPMENT (continued)

Increases in the carrying amounts arising on revaluation of land and buildings are recognised, net of tax, in other comprehensive income and accumulated in reserves in shareholders' equity. To the extent that the increase reverses a decrease previously recognised in profit or loss, the increase is first recognised in profit or loss. Decreases that reverse previous increases of the same asset are first recognised in other comprehensive income to the extent of the remaining surplus attributable to the asset; all other decreases are charged to profit or loss.

Each year, the difference between depreciation based on the revalued carrying amount of the asset charged to profit or loss and depreciation based on the asset's original cost, net of tax, is reclassified from the property, plant and equipment revaluation surplus to retained earnings.

The depreciation methods and periods used by the Group are disclosed in note 9.1.2.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss. When revalued assets are sold, it is the Group's policy to transfer any amounts included in other reserves in respect of those assets to retained earnings.

18.5 BORROWING COSTS

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. To the extent that variable rate borrowings are used to finance a qualifying asset and are hedged in an effective cash flow hedge of interest rate risk, the effective portion of the derivative is recognised in other comprehensive income and reclassified to profit or loss when the qualifying asset impacts profit or loss. To the extent that fixed rate borrowings are used to finance a qualifying asset and are hedged in an effective fair value hedge of interest rate risk, the capitalised borrowing costs reflect the hedged interest rate.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

18.6 FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised in the Group's balance sheet when the Group becomes a party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

18 ACCOUNTING POLICIES (continued)

18.6 FINANCIAL INSTRUMENTS (continued)

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace. All recognised financial assets are measured subsequently in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

18.6.1 Classification of financial assets

Debt instruments that meet the following conditions are measured subsequently at amortised cost:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are measured subsequently at fair value through other comprehensive income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are measured subsequently at fair value through profit or loss (FVTPL). Despite the foregoing, the Group may make the following irrevocable election/designation at initial recognition of a financial asset:

- the Group may irrevocably elect to present subsequent changes in fair value of an equity investment in other comprehensive income if certain criteria are met; and
- the Group may irrevocably designate a debt investment that meets the amortised cost or FVTOCI criteria as measured at FVTPL if doing so eliminates or significantly reduces an accounting mismatch.

18.6.2 Write off policy

The Group writes off a financial asset when there is information indicating that the debtor is in severe financial difficulty and there is no realistic prospect of recovery, e.g. when the debtor has been placed under liquidation or has entered into bankruptcy proceedings, or in the case of trade receivables, when the amounts are over two years past due, whichever occurs sooner. Financial assets written off may still be subject to enforcement activities under the Group's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

18 ACCOUNTING POLICIES (continued)

18.6 FINANCIAL INSTRUMENTS (continued)

18.6.3 Impairment of financial assets

The Group recognises a loss allowance for expected credit losses on investments in debt instruments that are measured at amortised cost or at FVTOCI, lease receivables, trade receivables and contract assets, as well as on financial guarantee contracts. The amount of expected credit losses is updated at each reporting date to reflect changes in credit risk since initial recognition of the respective financial instrument. The Group always recognises lifetime Expected Credit Losses (ECL) for trade receivables, contract assets and lease receivables.

The expected credit losses on these financial assets are estimated using a provision matrix based on the Group's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate.

For all other financial instruments, the Group recognises lifetime ECL when there has been a significant increase in credit risk since initial recognition. However, if the credit risk on the financial instrument has not increased significantly since initial recognition, the Group measures the loss allowance for that financial instrument at an amount equal to 12 month ECL.

Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of a financial instrument. In contrast, 12 month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.

18.6.4 Derecognition of financial assets

The Group derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss. In addition, on derecognition of an investment in a debt instrument classified as at FVTOCI, the cumulative gain or loss previously accumulated in the investments revaluation reserve is reclassified to profit or loss. In contrast, on derecognition of an investment in equity instrument which the Group has elected on initial recognition to measure at FVTOCI, the cumulative gain or loss previously accumulated in the investments revaluation reserve is not reclassified to profit or loss, but is transferred to retained earnings.

Notes to the Consolidated Financial Statements (continued)

For the year ended 30 September 2021

18 ACCOUNTING POLICIES (continued)

18.7 FINANCIAL LIABILITIES

18.7.1 Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

18.7.2 Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by IFRS 9. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit or loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in IFRS 9 are satisfied. The Group has not designated any financial liability as at fair value through profit or loss.

18.7.3 Loans and borrowings

This is the category most relevant to the Group. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit or loss. This category generally applies to interest-bearing loans and borrowings.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

18.7.4 Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Notes to the Consolidated Financial Statements (continued)

For the year ended 30 September 2021

18 ACCOUNTING POLICIES (continued)

18.8 PROVISIONS

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle that obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

18.9 SHARE CAPITAL

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds. Dividends are recognised as liability in the period in which they are declared.
